2. Adhere all panels to both card front and Z-Fold Band
3. Stamp in Memento Black ink (1) large sunflower, (4) large leaves, (1) small leaves (set of 2), (1) small sunflower.
4. Using Stampin' Cut & Emboss Machine, crop out all images.
5. Color images with Stampin' Blends. I outlined each image with Light Balmy Blue after coloring images.
6. Stamp sentiment "Let's Celebrate You" from Celebrate Sunflowers on 3 1/2" x 3/4" strip.
7. Use Lovely Labels Pick-A-Punch to punch both ends of tag.
8. Adhere Z-Fold band to card base. Folds will be opposite from card base.
9. Adhere sentiment tag to Z-fold band on left side of longest part of band.
10. Close card and lay out large sunflower and leaves to your liking, making sure to stay within the top and bottom edges of the card. (If the leaves overhand the edges, it won't fit in an envelope.) Adhere to card base as laid out.
11. Adhere small sunflower to card inside.
